Dublin, IN 47335

Dear Patricia,

As a participant in the Historic National Road Yard Sale this past weekend, it was a great experience meeting many people from all over. I think we had more people this year than in the past years.

It was great to see people getting together with the different activities other than the yard sales, such as the Fish Fry and the Pork Chop dinners. The overall experience was great.

Sincerely,

A handwritten signature in black ink that reads "Jerome Swim". The signature is written in a cursive style with a large, prominent "J" and "S".
